

Merger Vision Statement

To combine the resources of Coastal Heritage Bank and Equitable Bank, to create a larger and more sustainable organization that, through the prudent stewardship of our Board of Directors and vision and hard work of our employees, will have the necessary resources to effectively serve our customers and community for future generations.

Who is Coastal Heritage Bank?

Coastal Heritage Bank is a community bank located on the South Shore of Massachusetts that offers a full range of consumer and commercial/business products and services via a network of nine conveniently located branch offices as well as a full complement of online/mobile services.

Coastal Heritage Bank is a well-capitalized bank that was formed in 2015 through the merger of Scituate Federal Savings Bank and S-Bank; two deep rooted community institutions that have been fixtures on the South Shore for over 100 years.

Coastal Heritage has branch offices in Weymouth, Quincy, Hingham, Hanover, Marshfield, Scituate, Norwell, Green Harbor and East Bridgewater.

Why Merge?

In an increasingly competitive community banking environment there are vast benefits and economies of scale when two institutions merge to form one. Savings in compliance costs, auditing costs, and regulatory expenses to name just a few. It is also more efficient to expand an institutions branch network via a merger than through construction of new facilities.

We are working with our core data processor to determine if any account numbers will need to change. You will receive ongoing communication regarding the conversion process and if there are any impacts to your specific account numbers you will be contacted directly by bank staff.

What about deposit insurance?

Coastal Heritage Bank is a secure and well-capitalized bank and a safe place for deposits. All deposits are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000.

In addition, all deposit balances greater than \$250,000 are fully insured by the Share Insurance Fund (SIF).

The Share Insurance Fund (SIF) is a private fund owned by the member co-operative banks, which insures all deposits at co-operative banks in Massachusetts above Federal Deposit Insurance Corporation (FDIC) limits.

The unique combined insurance coverage afforded by the FDIC and the Share Insurance Fund provides the best deposit insurance available, whether deposit balances are held in passbook, statement or certificate-type accounts, or in any combination of these accounts. At a Massachusetts co-operative bank, your deposits are always fully protected.

Since its inception, the Share Insurance Fund has preserved the enviable claim of member co-operative banks that “no depositor has ever lost a penny in any Massachusetts co-operative bank.”

What about ATM access?

After the merger is completed, Coastal Heritage Bank will be a member of Allpoint, America’s largest surcharge-free ATM Network with over 55,000 ATMs.
